Dear Mr. Link; Bob

Several weeks ago I had the "Vortex Fluid Optimizer" installed on my 2006 Dodge Grand Caravan. Within two weeks I noticed that my weekly gas consumption had dropped by two to three gallons saving me on average \$8 to \$12 dollars weekly. I also noticed that the engine was running somewhat smoother during the long trip from my home to work roughly 30 miles each way. Thank you for turning me on to the Vortex Fluid Optimizer.

Thank you and best regards,

Ralph P. Santaniello
